Bring me my sling.
It's a very handy thing.

For when I want to do some peeping.
For when I want to do some sleeping.

Bring me my sling.
It's a very handy thing.

For when I want to do some playing.
For when I want to do some weighing.

For when I want to do some looking.
For when I want to do some cooking.

Bring me my sling.
It's a very handy thing.
